

Why Choose AIRFREIGHT.COM?

AirFreight.com is a North American expedited logistics company that specializes in airborne and time-critical ground deliveries. It has helped thousands of businesses and organizations deliver goods, even when facing difficult circumstances and razor-thin deadlines.

THE ADVANTAGES OF USING AIRFREIGHT.COM

Utilizing cutting-edge technology and out-of-the-box creative strategy, AirFreight.com can complete a delivery within the U.S., Canada, and Mexico in just a matter of hours.

Real-time tracking updates help identify and prevent potential delays.

We make sure that any truck or plane that we use meets certain criteria and has the capacity to transport a wide variety of shipment sizes.

Your urgent shipment will be the only freight in the sprinter van, truck or air charter aircraft to minimize damage and ensure the shipment goes direct from pick to delivery.

A single point of contact ensures that clients work with the same expeditor during the entire duration of their shipment's journey.

AirFreight.com can arrange various overnight services, including air charter, hand carry, next flight out or overnight early A.M.

SERVICES

AIR CARGO

AirFreight.com offers access to a well-connected, vast network of air transport options that provides clients with the widest range of air cargo choices.

AIR CHARTER

Need to send time-critical cargo on a tight deadline? With air charter, there are no limits on shipment size or weight. Your shipment will be transported using the right optimally-designed aircraft to fit your needs.

AIR FREIGHT

We'll securely transport your freight using innovative solutions to help your shipment arrive safely and on time.

EXPEDITED TRUCKLOAD

Our expedited truckload brokerage services will find the right sprinter van, truck, or flatbed to meet your needs.

EXPRESS TRUCKING

We offer door-to-door services via authorized motor carriers throughout North America, regardless of your origin and destination.

SAME-DAY DELIVERY

We find the right carriers to provide same-day delivery nationwide via ground or air, managed by professionals in the industry.

WHAT SETS AIRFREIGHT.COM APART FROM OTHER FREIGHT BROKERS?

- ✓ You have a single point of contact and work with the same expeditor every time. There are no long wait times and no customer service call centers.
- ✓ There are virtually no limits on shipment size or weight. We'll make sure to find the best option for your shipping needs, whether it's by air or ground.
- ✓ Receive 24/7/365 support, tracking, and coverage.
- ✓ Transport your shipment with the best optimally designed ground or air vehicle to fit your needs.
- ✓ Gain access to our expansive network of transportation services and ship to virtually any destination.

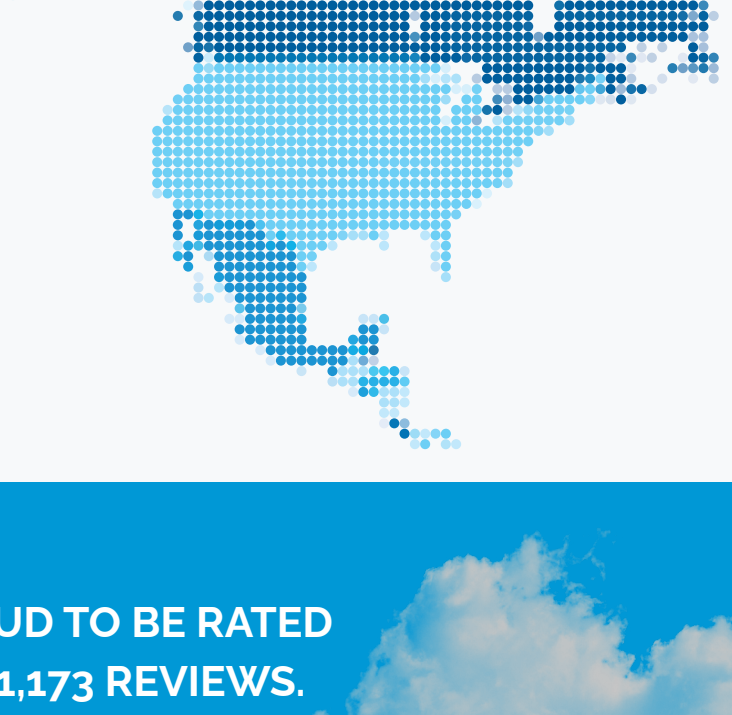

TURNAROUND TIMES

This largely depends on where the shipment is going and the location of the pickup, but a pickup and delivery can be completed within hours in the U.S., Canada, or Mexico.

With decades of experience in the shipping logistics and transportation industries, AirFreight.com has the skill, expertise, and connections to get your shipment where it needs to go—quickly and securely.

AirFreight.com can schedule pickups and carry out deliveries within just hours to locations in the U.S., Canada, and Mexico.

AIRFREIGHT.COM IS PROUD TO BE RATED 4.9 OUT OF 5, BASED ON 1,173 REVIEWS.

“Had an emergency costing the customer tens of thousands of dollars in downtime. Airfreight.com delivered the goods in record time and the customer was able to get back to business. Excellent company whom I'll be using again, if needed.”

— Earl

“We were very satisfied with the service AirFreight.com provided. We needed material moved from Mississippi to Louisiana. The material was picked up in about 3 hours and delivered the next morning in a very satisfactory amount of time.”

— Stephen

“AirFreight.com was EXTREMELY responsive in making it happen for a delivery I needed but did not have the time to pickup. They allowed me to ensure my commitment to MY customer was satisfied!”

— Dustin
